It is a perspective to life that evokes a spirit that is carefree, laid back and optimistic." (https://en.wikipedia.org/wiki/Culture_of_Costa_Rica)

Associated with many different English interpretations like "pure life", "take it easy", "enjoy life", "all good", "purity in life", "hello", "goodbye", "this is life!" and many many more.

that bad and that no matter how little or how much you have in life, we are all here together and life is short...so start living it "pura vida style".
